IIT REAL-TIME COMMUNICATIONS
Hackathon • Sept 23-24, 2017 • Chicago
Conference & Expo • Sept. 25-28, 2017 • Chicago

The IIT RTC Conference and Expo is a globally recognized collaborative event, where industry and academia connect. Leveraging its unique academic setting, this annual conference brings together technical professionals and business executives from the data and telecommunications industry, standards bodies, policy and regulatory institutions, and academic educators and researchers to promote an open exchange of ideas to lead future development in the rapidly changing field of real-time communications.
